# Case Study: The Rutgers Formal

- The Sikh Student Association at Rutgers University hosts an annual formal that is all about cultural representation, and seeks to highlight one cause/organization
- Their SSA chose the Saanjh Adopt-A-Family program.
- They were able to raise approximately \$1,300 dollars for the program.

## ***Why does this matter?***

Rutger's SSA was able to spread and fund an important cause through a social event, highlighting the theme of Dasvandh and its value in Sikhi.
